Customer needs to submit the following with application:

1. Site Plan
2. Electrical Loads and/or Natural Gas / **Propane** Loads
3. Copy of Deed with legal description and parcel identification number

I, the undersigned, am to agree with LVE on the location of the transformer, location of the electric and/or gas meter, and the size of the electrical service. Should any of those change, I agree to notify LVE immediately. I understand that a change in length, size or location of the service could result in an increase in the cost and possible delay of installation.
